

Strategic Plan

FY 23/24 to FY 28/29

MISSION

The Briggs District Library promotes literacy and life-long learning. The Library is an information curator and a place for all ages to interact, to get help, to be entertained and to enrich lives. The Library’s presence, programming and partnerships strengthen the greater St. Johns community. Briggs District Library exists to create an environment that brings people together, opens minds and inspires.

VISION

The Briggs District Library is a conduit for our community, to essential resource and a strategic partner in the St. Johns region. The Library engages our community through multiple, innovative pathways, offering a safe and easily accessible environment for education, enrichment, connections and entertainment.

**LIBRARY
 AWARENESS**

District’s residents are aware of the library’s value to the community

Broaden the library’s reach and recognition by expanding communication and events in the community.

The library is an active partner in the community, working to develop and maintain strong relationships.

**INSTITUTIONAL
 EXCELLENCE**

The library will maintain funding for library operations. It will plan for and work at having and maintaining a modern facility.

Trustees develop their knowledge and skills to responsibly steward, advocate for and govern the library.

Staff members feel supported and are given the tools and training needed to be empowered and engaged in their work.

**LEARN &
 DISCOVER**

Library programs and services spark exploration and enrich the lives of community members.

Community members have access to collections and services for a lifetime of reading, learning, and recreation.

Community members confidently navigate up-to-date technology.
