<https://www.youtube.com/watch?v=RuqvGiZi0qg>
2. If You're Happy/Sad/Mad/Silly and You Know It  
<https://www.youtube.com/watch?v=qzW7zt2EUb4>

## Activity:

Play is essential to the development of your child because it contributes to their cognitive, physical, social, and emotional well-being. Play house with your child. You don't need anything fancy. Provide your child with boxes, crates, and other items to make furniture. They can use dolls for the role of children and stuffed animals for the role of pets. Old clothes, shoes, hats, and accessories can be used for dress-up.
